OPEN POSITION

Job ID: (#JOB3/2019)

Job Description

Job Title: Assistant

Job Summary:

Conducting experimental research on magnetic, transport and thermal properties of various magnetic materials in Group ON-3.3.

Job Description:

ON-3.3 is the Group of Low Dimensional Magnetics. The research interest is concentrated on magnetic phenomena in nanomaterials, composite nanostructures, molecular magnets and spin glasses. The assistant is expected to: (i) carry experimental studies of the above mentioned materials by using PPMS, VSM magnetometer and AC susceptometer; (ii) prepare samples (also under vacuum or in the controlled atmosphere); (iii) perform analysis and scientific interpretation of the results obtained and to present them at conferences and seminars as well as in a form of scientific papers in recognized international journals; (iv) increase knowledge and qualifications in the field of nanomagnetism and material sciences (v) participate in education of trainees and master students as well as in other scientific and organizational activities; (vi) keep custody on the working place and equipment.

Main research field: Physics

Sub Research Field: Solid state physics

Career Stage: Ph.D. in physics degree, received in 2016 or later, with specialization in experimental condensed matter physics, at least 6 year experience in experimental studies of magnetic materials, reflected in publication file (at least 3 papers during the last 5 years in recognized, i.e., presented in Web of Science Core collection, international journals). Experience in using experimental set-ups such as VSM, PPMS, AC Susceptometer as well as the computer programs for data analysis (OriginPro, Mathcad, MATLAB).

Research Profile ([details](#)): Recognized Researcher (R2)

Type of Contract: 2 years

Status: Full-time

Salary: 3600 PLN per month (before taxes).

DATA PROCESSING UNDER CONSENT FOR THE PURPOSES OF RECRUITMENT

Under Art. 13 sections 1 and 2 of the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Resolution), EU OJ L 119 of 04.05.2016, page 1, as amended, hereinafter referred to as "GDPR", we hereby inform as follows:

1. The Data Controller of the provided personal data is the Institute of Physics of the Polish Academy of Sciences, Al. Lotników 32/46, 02-668 Warsaw, phone (22) 116-2111, e-mail director@ifpan.edu.pl.
2. Contact details to the Data Protection Officer are as follows: e-mail iodo@ifpan.edu.pl
3. Your personal data shall be processed for the purpose of carrying out the recruitment process for the position of Assistant.
4. Processing of your personal data in scope of: full name, date of birth, correspondence address, information about education and course of past employment shall take place under Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code. In the scope in which you sent to us more personal data than indicated above, we process your data under the consent granted by you.
5. Your personal data shall be stored for 1 month from completion of the recruitment process. If you grant consent for processing of personal data for future recruitments, we shall process your data until withdrawal of the consent by you, however, no longer than for the period of 6 months from the day of submittal of the application by you.
6. Provision of the abovementioned data in the scope indicated above is a statutory requirement resulting from Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code, in the remaining scope it is voluntary. Failure to provide the data referred to in Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code precludes consideration of your candidacy for the offered position.
7. You have the right to access your personal data, to rectify them, erase them, restrict their processing.
8. You may submit a complaint to the Inspector General for the Protection of Personal Data.
9. You have the right to withdraw the consent to process your personal data in the scope in which they were provided at any time. Withdrawing the consent does not affect the lawfulness of processing carried out on the basis of consent before its withdrawal.

Consent content:

I grant my consent to the Institute of Physics of the Polish Academy of Sciences to process my personal data contained in the sent recruitment documents for the purpose of carrying out the recruitment process for the position of Assistant.

If you want us to consider your candidacy also in the future recruitment processes, please grant the additional consent:

I grant my consent to the Institute of Physics of the Polish Academy of Sciences to process my personal data contained in the sent recruitment documents in future recruitment processes taking place during 6 months from the day of appearance of this job advertisement.
