

Job ID: #JOB41/2019

Job Description

Job Title: Professor, specialist in the field of X-ray diffraction

Job Summary:

Conducting the studies in the field of applied crystallography, in particular the studies will concern the structure and elastic properties of oxide materials and semiconductors. The winner will conduct studies in the field of solid state physics, using methods of X-ray diffraction at ambient conditions as well as at high temperatures or pressures.

Job Description:

The winner will perform studies of structure of multicomponent oxides finding potential application in optoelectronics; the materials will be prepared in the technological laboratories of the Institute of Physics or at other scientific centers. The studies will be based on X-ray diffraction experiments performed in laboratories of the Institute of Physics and on experimental beamlines in European synchrotrons devoted to diffraction studies.

The candidate must have many-years experience, documented by significant published output, in conducting experimental research in the field of solid state physics, including the experience in structural research using X-ray diffraction methods.

The candidate must have the title of professor or the doctor of science degree in the field of physical sciences.

Main research field: Physics

Sub Research Field: Solid state physics, applied crystallography

Experience: Researcher with many-years of documented work, a senior scientist.

Research Profile ([details](#)): Leading researcher (R4)

Type of Contract: Two years contract with possibility of prolongation

Status: Part time (50%)

Salary: 3100 PLN per month (before taxes)

Contact

More information can be obtained from Prof. Krystyna Jabłońska (email: jablo@ifpan.edu.pl, phone +48 221163384)

Application details

Application deadline: October 15, 2019. Later application may also be considered.

Required materials (in Polish or English):

- Motivation letter
- Copy of awarding the title of professor or doctor-of-science diploma
- List of publications
- Information on scientific achievements
- Curriculum Vitae
- Scientific plans connected with the employment

- Consent to process your personal data

All materials should be submitted in electronic form to the address: jobs@ifpan.edu.pl with Job ID #JOB41/2019 in the subject.

DATA PROCESSING UNDER CONSENT FOR THE PURPOSES OF RECRUITMENT

Under Art. 13 sections 1 and 2 of the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Resolution), EU OJ L 119 of 04.05.2016, page 1, as amended, hereinafter referred to as "GDPR", we hereby inform as follows:

1. The Data Controller of the provided personal data is the Institute of Physics of the Polish Academy of Sciences, Al. Lotników 32/46, 02-668 Warsaw, phone (22) 116-2111, e-mail director@ifpan.edu.pl.
2. Contact details to the Data Protection Officer are as follows: e-mail iodo@ifpan.edu.pl
3. Your personal data shall be processed for the purpose of carrying out the recruitment process for the position of Professor, specialist in the field of X-ray diffraction.
4. Processing of your personal data in scope of: full name, date of birth, correspondence address, information about education and course of past employment shall take place under Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code. In the scope in which you sent to us more personal data than indicated above, we process your data under the consent granted by you.
5. Your personal data shall be stored for 1 month from completion of the recruitment process. If you grant consent for processing of personal data for future recruitments, we shall process your data until withdrawal of the consent by you, however, no longer than for the period of 6 months from the day of submittal of the application by you.
6. Provision of the abovementioned data in the scope indicated above is a statutory requirement resulting from Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code, in the remaining scope it is voluntary. Failure to provide the data referred to in Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code precludes consideration of your candidacy for the offered position.
7. You have the right to access your personal data, to rectify them, erase them, restrict their processing.
8. You may submit a complaint to the Inspector General for the Protection of Personal Data.
9. You have the right to withdraw the consent to process your personal data in the scope in which they were provided at any time. Withdrawing the consent does not affect the lawfulness of processing carried out on the basis of consent before its withdrawal.

Consent content:

I grant my consent to the Institute of Physics of the Polish Academy of Sciences to process my personal data contained in the sent recruitment documents for the purpose of carrying out the recruitment process for the position of Professor, specialist in the field of X-ray diffraction .

If you want us to consider your candidacy also in the future recruitment processes, please grant the additional consent:

I grant my consent to the Institute of Physics of the Polish Academy of Sciences to process my personal data contained in the sent recruitment documents in future recruitment processes taking place during 6 months from the day of appearance of this job advertisement.
