

Workshop on the Structure and Function of Biomolecules II

May 11-13, 2006, Będlewo near Poznań, Poland

Organizers: Institute of Physics, Polish Academy of Sciences, Warsaw, Poland and Warsaw University, Warsaw, Poland

under the auspices

of the European Commission via the Center of Excellence - ASPECT, the Division of Physics in Life Science of the European Physical Society, and the Committee of Physics of the Polish Academy of Sciences

Workshop's topics:

**protein structure, function, folding, and stretching:
experimental methods and theoretical models**

Advisory Board:

Peter G. Fajer, Florida State University, Tallahassee, FL, USA

László Forró, EPFL, Lausanne, Switzerland

Mariusz Jaskólski, Poznań University, Poznań, Poland

Chris Johnson, Cambridge, UK

Bogdan Lesyng, Warsaw University, Poland

Per-Anker Lindgård, Risø National Laboratory, Denmark

Lecturers:

Salim Abdali, Quantum Protein Center, TUD, Lyngby, Denmark

Alexander Angerhofer, University of Florida, Gainesville, USA

Jayanth R. Banavar, Penn State University, USA

Paul D. Barker, Chemistry, University of Cambridge, UK

Agnieszka Bzowska, Warsaw University, Poland

Michał Dadlez, IBB, PAS, Warsaw, Poland

Peter G. Fajer, Florida State University, Tallahassee, USA

Sławomir Filipek, IIMCB, Warsaw, Poland

László Forró, IPCM, EPFL, Lausanne, Switzerland

Feng Gai, University of Pennsylvania, USA

Krzysztof Ginalski, Warsaw University, Poland

Adam Godzik, Burnham Institute, USA

Klaas Hellingwerf, University of Amsterdam, Netherlands

Harald Janovjak, BTC, University of Technology, Dresden, Germany

Sylvia Jeney, IPCM, EPFL, Lausanne, Switzerland

Chris Johnson, University of Cambridge, UK

Andrzej Koliński, Warsaw University, Poland

Andrzej J. Kulik, IPCM, EPFL, Lausanne, Switzerland

Jörg Langowski, DBM, DKFZ, Heidelberg, Germany

Małgorzata Lekka, INP, PAS, Kraków, Poland

Arthur M. Lesk, Penn State University, USA

Adam Liwo, Gdańsk University, Poland

Cristian Micheletti, SISSA, Trieste, Italy

Harmut Oschkinat, FMP Berlin, Germany

Annalisa Pastore, MRC London, UK

Jörg Pieper, Technical University, Berlin, Germany

Anastasia Politou, University of Ioannina, Greece

Flemming Poulson, University of Copenhagen, Denmark

Tomasz Religa, University of Cambridge, UK

George D. Rose, Johns Hopkins University, USA

Andrzej Stasiak, University of Lausanne, Switzerland

Joanna Trylska, Warsaw University, Poland

Andrej Vilfan, Ljubljana, Slovenia

Piotr Zielenkiewicz, IBB, PAS, Warsaw, Poland

Conference Center in Będlewo

**Division of
Physics in
Life science**

Workshop's Deadlines for Abstracts and Registration: March 15th, 2006
