

# PRE-DOCTORAL INTERNSHIPS

at the Institute of Physics, Polish Academy of Sciences

## continuous recruitment

The Director of the Institute of Physics of the Polish Academy of Sciences cordially invites interested students to undertake a pre-doctoral internship in a subject of their choice related to the activities of the Institute.

### Who?

We invite all Master's students who are considering the possibility of undertaking doctoral studies at the Institute of Physics to apply.

### Duration

- 6 months      **Employment at the institute in a 1/4 full time physicist position\***
- 3 months      **Employment at the institute in a 1/2 full time physicist position\***

The recruitment committee assesses applications periodically.  
Employment is approved by the Director.

\* Please note: the salary is insufficient to support oneself independently in Warsaw with accommodation or to successfully apply for a visa

### Internship topics

The Institute conducts a wide range of experimental and theoretical research in the fields of:

- semiconductor physics
- magnetism and superconductivity
- quantum atomic and molecular physics
- materials engineering
- atomic physics with antimatter
- biophysics
- chemical physics
- topological materials
- soft matter physics
- nanotechnology

You can propose a research supervisor with whom you have made contact, alternatively the recruitment committee will determine a list of potential supervisors taking into account the scientific interests in your cover letter.

### How to apply?

Please send your applications to [research@ifpan.edu.pl](mailto:research@ifpan.edu.pl), containing:

- A cover letter that includes your scientific interests, and optionally the proposed research supervisor, if you have already been in contact,
- your CV,
- The proposed dates for the internship,
- Consent for the processing of personal data (form online/below).

## DATA PROCESSING UNDER CONSENT FOR THE PURPOSES OF RECRUITMENT

Under Art. 13 sections 1 and 2 of the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Resolution), EU OJ L 119 of 04.05.2016, page 1, as amended, hereinafter referred to as "GDPR", we hereby inform as follows:

1. The Data Controller of the provided personal data is the Institute of Physics of the Polish Academy of Sciences, Al. Lotników 32/46, 02-668 Warsaw, phone (22) 116-2111, e-mail [director@ifpan.edu.pl](mailto:director@ifpan.edu.pl).
2. Contact details to the Data Protection Officer are as follows: e-mail [iodo@ifpan.edu.pl](mailto:iodo@ifpan.edu.pl)
3. Your personal data shall be processed for the purpose of carrying out the recruitment process for the position of physicist, technical staff member.
4. Processing of your personal data in scope of: full name, date of birth, correspondence address, information about education and course of past employment shall take place under Art. 22<sup>1</sup> § 1 of the Act of 26 June 1974 - Labour Code. In the scope in which you sent to us more personal data than indicated above, we process your data under the consent granted by you.
5. Your personal data shall be stored for 1 month from completion of the recruitment process. If you grant consent for processing of personal data for future recruitments, we shall process your data until withdrawal of the consent by you, however, no longer than for the period of 6 months from the day of submittal of the application by you.
6. Provision of the abovementioned data in the scope indicated above is a statutory requirement resulting from Art. 22<sup>1</sup> § 1 of the Act of 26 June 1974 - Labour Code, in the remaining scope it is voluntary. Failure to provide the data referred to in Art. 22<sup>1</sup> § 1 of the Act of 26 June 1974 - Labour Code precludes consideration of your candidacy for the offered position.
7. You have the right to access your personal data, to rectify them, erase them, restrict their processing.
8. You may submit a complaint to the Inspector General for the Protection of Personal Data.
9. You have the right to withdraw the consent to process your personal data in the scope in which they were provided at any time. Withdrawing the consent does not affect the lawfulness of processing carried out on the basis of consent before its withdrawal.

Consent content:

I grant my consent to the Institute of Physics of the Polish Academy of Sciences to process my personal data contained in the sent recruitment documents for the purpose of carrying out the recruitment process for the position of physicist, technical staff member.

If you want us to consider your candidacy also in the future recruitment processes, please grant the additional consent:

I grant my consent to the Institute of Physics of the Polish Academy of Sciences to process my personal data contained in the sent recruitment documents in future recruitment processes taking place during 6 months from the day of appearance of this job advertisement.
